Public Advisory

BOIL WATER NOTICE

Due to a water main Break in the 4800 block of Old Hwy 441 and the Loss of Required Pressure, City of Baldwin Water Customers in the Harmony Church Rd area and Old 441 south of Harmony Church Rd area are advised to boil any water to be used for human consumption in order to protect the public from a potential health hazard. All City of Baldwin water customers that have experienced water outages and or low water pressure are advised to **BOIL** all water prior to use for drinking, cooking, or preparing baby food. The water should be **BOILED** for at least one minute after reaching a **ROLLING BOIL**. Customers should continue to boil their water until they are notified by the City of Baldwin Water Department that the water system has been restored to full operation, and that the microbiological quality of the water in the distribution system is safe for human consumption.

The City of Baldwin water department will post a notice when this boil water advisory has been lifted.
